Robert Lansden, *Shadows III*, 2013, gouache on paper, 22 x 22 inches

On Your Mark: Opus I

Opening Reception: Saturday, May 17th, 6 – 8pm

Exhibition dates: May 17th – June 21st, 2014

Cris Worley Fine Arts is excited to announce our exhibition, *On Your Mark: Opus I*, a group show featuring both gallery and guest artists. The exhibition will begin Saturday, May 17th with an opening reception from 6pm – 8pm and will continue through June 21st, 2014. The impetus behind *On Your Mark: Opus I* is to celebrate drawing in its many forms, focusing on the act of mark-making rather than specific mediums or techniques. The work will range from the abstract to the figurative and from the traditional to the unconventional. As each individual artist has a unique signature, *On Your Mark* will highlight the uniqueness inherent to each artist's approach to drawing.

Dallas-based Paul Booker will showcase one of his frenetic abstract drawings that mimic the natural movements of air and water, while Celia Eberle has created delicate drawings of antique botanical illustrations that she has painted with her drawn blood. Rusty Scruby will feature one of his new enamel and poplar constructions, like those recently exhibited at the Grace Museum, and Fort Worth-based Anne Allen will produce her latest work directly on the wall for immediate effect.

The exhibition will include work from artists: Anne Allen, Paul Booker, Shannon Cannings, Maysey Craddock, Isabelle du Toit, Celia Eberle, Simeen Farhat, Greta Gundersen, Robert Lansden, Paul Manes, Francisco Moreno, Shayne Murphy, Rusty Scruby, Kelli Vance, and Murielle White.
